

Written Acknowledgment of Data Security Responsibility

This written acknowledgment is provided by **SNVA TravelTech Limited** ("Service Provider") to confirm and affirm its responsibility for maintaining the security of customer data in compliance with the Payment Card Industry Data Security Standard (PCI DSS) and all applicable data protection obligations.

Acknowledgment

1. Responsibility for Security

SNVA TravelTech Limited acknowledges and accepts full responsibility for the security of all customer data that it stores, processes, or transmits on behalf of its clients.

2. Signed Agreement

A formal agreement is maintained between SNVA TravelTech Limited and its clients, outlining data security responsibilities and obligations.

3. Security Controls

SNVA TravelTech Limited has implemented and documents appropriate technical and organizational security controls to protect customer data.

4. Ongoing Assessments

Regular security assessments and compliance reviews are conducted, and records are maintained to demonstrate adherence to applicable standards.

5. Incident Response

An effective incident response plan is in place, and evidence of testing, execution, and continuous improvement is retained.

Affirmation

By signing below, SNVA TravelTech Limited affirms its responsibility for ensuring the security of customer data and agrees to maintain compliance with PCI DSS and all applicable data protection standards.
